Section 3 identifies the procurement schedule and proposal submittal instructions.

Section 4 provides instructions on the required content of the proposals.

Section 5 describes the evaluation and selection process and criteria.

Section 6 identifies the protest procedures.

### 1.3 SolTrans' Rights

The SolTrans' rights include, but are not limited to, the following:

- ❑ Proposals shall be evaluated on a "Best Value" basis. This solicitation will utilize the Federal Transit Administration's (FTA) Best Practices Manual's definition for "Best Value" as follows:

*"Best Value" is a selection process in which proposals contain both price and qualitative components, and award is based upon a combination of price and qualitative considerations. Qualitative considerations may include technical design, technical approach, quality of proposed personnel, and/or management plan. The award selection is based upon consideration of a combination of technical and price factors to determine (or derive) the offer deemed most advantageous and of the greatest value to the procuring agency.*

- ❑ SolTrans may, but is not bound to, commence negotiations with selected PROPOSERS deemed by SolTrans to be within the "competitive range". The "competitive range" will consist of those proposals which have a reasonable chance, following committee evaluation of proposals in accordance with the published RFP evaluation criteria, of being selected for award. The competitive range may be selected and refined by the selection committee at any time following initial review of the written proposals.
- ❑ SolTrans reserves the right to audio and video record any and all live meetings, including conferences and interviews, with potential and actual PROPOSERS and staff during any and all phases of this RFP process. #### **4.5 Willingness to Accept Proposed Arrangements**

Submission of a proposal constitutes an offer to enter into a binding legal contract with SolTrans on all of the terms specified in this RFP, including Appendix A - Required Forms, and Appendix B - Draft Standard Contract.

## SECTION 5. EVALUATION AND SELECTION

### 5.1 Evaluation and Selection Process

Proposals submitted in response to this RFP will be evaluated by the Evaluation Committee established by SolTrans, in accordance with the criteria and procedures set forth in this Request for Proposals. This section incorporates those rights and procedures noted in RFP Section 1.3 - SolTrans' Rights.

The primary desire of Solano County Transit for this procurement is to ensure an award will be made based on the highest quality of service that best matches Solano County Transit's requirements using the Best Value methodology.

The Evaluation Committee will submit its recommendation to the SolTrans Board of Directors for an award to be made based upon the Evaluation Committees' determination of the responsible Proposer whose proposal is most advantageous to SolTrans.

### 5.2 Evaluation Criteria

The following items constitute the evaluation criteria (and their respective weights), which SolTrans will use in evaluating proposals submitted in response to this RFP.

<b>Evaluation Criteria</b>	<b>Points</b>
<b>Technical Proposal:</b>	
PROPOSER's qualifications and experience	50
Project understanding/approach. Ability to meet the technical requirements of the specifications	40
References	20
<b>Cost Proposal</b>	40
Total Possible Points	150

PROPOSERS who remain in the competitive range following the initial evaluation of written proposals may be invited (only if interviews are required) to demonstrate their qualifications, experience and project approach before the Evaluation Committee. There will not be a separate "interview" score. The Evaluation Committee may raise or lower criteria scores based on information and clarifications gained during the interview process. Reasons for such changes will be documented.

SolTrans reserves the right to make an award solely on a PROPOSER'S written proposal alone, and is not required to conduct interviews.

### **5.3 Notification to Unsuccessful PROPOSERS**

All PROPOSERS shall be notified of SolTrans Evaluation Committee's recommendations by way of a Notice of Intent to Award (this will serve as the final committee recommendation) within five (5) working days of said recommendation.

**8. Best Efforts**

Contractor warrants that Contractor will, at all times, faithfully, industriously and to the best of his/her/its ability, experience and talent, perform to SolTrans' reasonable satisfaction.

**9. Default**

- A. If Contractor defaults in Contractor's performance, SolTrans shall promptly notify Contractor in writing. If Contractor fails to cure a default within 30 days after notification, or if the default requires more than 30 days to cure and Contractor fails to commence to cure the default within 30 days after notification, then Contractor's failure shall terminate this Contract.
- B. If Contractor fails to cure default within the specified period of time, SolTrans may elect to cure the default and any expense incurred shall be payable by Contractor to SolTrans.
- C. If SolTrans serves Contractor with a notice of default and Contractor fails to cure the default, Contractor waives any further notice of termination of this Contract.
- D. If this Contract is terminated because of Contractor's default, SolTrans shall be entitled to recover from Contractor all damages allowed by law.

**10. Indemnification**

Contractor shall indemnify and hold harmless SolTrans, its officers, officials, employees and volunteers from and against all actions, causes of actions, damages, costs, liabilities, claims, losses, judgments, penalties and expenses of every type and description, including without limitation any fees and/or costs reasonably incurred by SolTrans' staff attorneys or contract attorneys and any and all costs, fees and expenses incurred in enforcing this provision (hereafter collectively referred to as "liabilities"), arising out of or in connection with any negligent act or omission, misconduct or other legal fault of Contractor, its officers, employees, sub-contractors, subcontractors or agents in connection with the performance or nonperformance of this Contract, whether or not SolTrans accepted or approved any service or work product performed or provided by Contractor hereunder, and whether or not such liabilities are litigated, settled or reduced to judgment. In the event that a final decision or judgment allocates liability by determining that any portion of damages awarded is attributable to SolTrans' negligence or willful misconduct, SolTrans shall pay the portion of damages which is allocated to SolTrans' negligence or willful misconduct, provided that SolTrans shall not be liable for any passive negligence of SolTrans, its officers, officials, employees and volunteers in reviewing, accepting or approving any service or work product performed or provided by Contractor.

Contractor shall, upon SolTrans' request, defend with counsel approved by SolTrans (which approval shall not be unreasonably withheld), at Contractor's sole cost and expense, any action, claim, suit, cause of action or portion thereof which asserts or alleges liabilities resulting from any allegedly negligent act, omission, misconduct or other legal fault of Contractor, its officers, employees, sub-contractors, subcontractors or agents in connection with the performance or nonperformance of this Contract, whether or not such action, claim, suit, cause of action or portion thereof is well founded or lacking in merit.

Acceptance of insurance certificates or endorsements required under this Contract does not relieve Contractor from liability under this Section 10 and shall apply to all damages and claims of every kind suffered, or alleged to have been suffered, by reason of Contractor's negligence, misconduct, or other legal fault regardless of whether or not such insurance policies shall have been determined

**Minimum Scope of Insurance:**

Coverage shall be at least as broad as:

1. Insurance Services Office Commercial General Liability coverage ("occurrence" form CG 0001).

General liability coverage can be provided in the form of an endorsement to the Contractor's insurance or as a separate owner's policy.
2. For any claims related to this project, the Contractor's insurance coverage shall be primary insurance as respects SolTrans, its officers, officials, employees, and volunteers. 3. Should the above described policies be cancelled prior to the policies' expiration date, Contractor agrees that notice of cancellation will be delivered under the policy provisions.

**Acceptability of Insurers:**

Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to SolTrans.
