### Customer Service

For schedules, connecting services, and assistance with trip planning, please call (707) 648-4666 between 8:00 am and 5:00 pm weekdays. Schedule information is also available at SolTrans.org. Routes 12, 15, 17, 38 and 82 will not operate during the service reduction.

To safeguard the health of our drivers and other riders, please stay at home and only use public transit for essential or lifeline trips. Drivers may enforce reduced capacity on the buses for the safety of other riders, or deny boarding to Customers showing flu-like symptoms.

Fares will not be collected at this time to eliminate passenger interaction with the farebox and reduce close contact between the driver and passengers. Please enter and exit the bus through the center doors unless you need the ramp, and observe social distancing measures by staying six feet apart from the driver and fellow riders while boarding and riding the bus.
